Jr. High Believe is just around the corner and we wanted to make sure you were as informed as possible before signing up your child to join us on this amazing weekend event!

Believe is a high-energy weekend event in which teens can learn and grow in their relationships with friends, leaders and most importantly, God.

It takes place in a large auditorium, where your child will worship alongside thousands of other students their age. It's literally an experience they'll get nowhere else.

Throughout the weekend, your students will learn alongside the characters on stage, how to apply biblical truth and amplify the call on their life to be a Kingdom Worker.

We will be staying overnight on Friday at Park Place Church of God on Anderson University's Campus. We will be having a dinner on the way Friday, but breakfast and lunch are covered in the cost of Believe!

Early teens are at an age where they're starting to take hold of core ideas for the first times in their lives - they're owning their own beliefs. They're moving away from the blanket acceptance of adult moral judgment to the development of their own personal values. Because of this we don't want anyone to miss out on this weekend!

If the cost is an issue, don't hesitate to reach out to me. I don't want any students to not attend because of financial issues.
